- 4.1. **Pricing Information.** NatureForex will make available through the NatureForex Trading System Contract Bid Prices and Ask Prices at which NatureForex is prepared to enter into with Customer in connection with Contracts. NatureForex expects that these prices are reasonably related to the bid prices and ask prices available in the market at that time for similar transactions. NatureForex may withdraw funds from the Customer's Account without notice: (x) to ensure that Posted Margin equals or exceeds Required Margin; and (y) to satisfy any payment obligation to NatureForex, including commissions, fees and charges in respect of Customer's Account. In the event that Customer directs NatureForex to sell any Margin, Collateral, Contract or other property and NatureForex is unable to deliver such Margin, Collateral, Contract or other property to a purchaser because Customer fails to deliver it to NatureForex, NatureForex may borrow or purchase any Margin, Collateral, Contract or property necessary to make such delivery, and Customer hereby agrees to guarantee and hold NatureForex harmless against any liability, claim, loss, damage, cost or expense, including attorneys' fees that NatureForex may sustain.
6. **CONTENT AND PERSONAL DATA.** Customer agrees that Customer's username, Avatar, state of residency, gender, networks, list of Users who follow and/or copy Customer, list of Users who Customer follows and/or copies, any posts by Customer on or through the Services, all trading and portfolio performance results, and any information, text, graphics,

NatureForex reserves the right to review, monitor, revise, or remove any Content in any way, in its sole discretion. NatureForex, its principals, employees or agents are not liable for any losses, damages, costs or expenses (including, but not limited to, loss of profits, loss of use, direct, indirect, incidental or consequential damages) resulting from any errors in, omissions of, or alterations to any information or Content.

8. **RISKS ASSOCIATED WITH SOCIAL TRADING.** NatureForex and its affiliates provide Customers with the ability to interact, follow, and copy other traders by using information or Social Trading Features available on the Website, trading

platforms, or the Services. Such Social Trading Features include, but are not limited to, the NatureForex Open Book, “follow,” “copy,” and “copytrader” trader rankings, “featured users” and any advanced search options (collectively, “Social Trading Features”). Social Trading Features are associated with various risks and Customer acknowledges, understands and agrees that:

- 8.1. NatureForex provides Social Trading Features solely for informational purposes. NatureForex, its principals, employees, and agents are not investment or financial advisers.
- 8.2. IF YOU MAKE INVESTMENT DECISIONS IN RELIANCE ON INFORMATION THAT IS AVAILABLE ON THE WEBSITE OR SERVICES OR AS A RESULT OF THE USE OF THE SOCIAL TRADING FEATURES, YOU DO SO AT YOUR OWN RISK AND NATUREFOREX, ITS PRINCIPALS, EMPLOYEES AND AGENTS WILL NOT BE LIABLE FOR ANY LOSSES THAT YOU MAY SUSTAIN. YOU SHOULD NOT MAKE ANY INVESTMENT DECISION WITHOUT FIRST CONDUCTING YOUR OWN RESEARCH. YOU ARE SOLELY AND EXCLUSIVELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, OR STRATEGY, OR ANY OTHER PRODUCT OR SERVICE IS APPROPRIATE OR SUITABLE FOR YOU BASED ON YOUR INVESTMENT OBJECTIVES AND PERSONAL AND FINANCIAL SITUATION.
- 8.3. A copied trader's positions (with respect to any Contracts) will be copied using the lower of either the minimum position amount or with the same proportional amounts and with the same leverage, to the maximum extent possible. All such positions shall be closed automatically if and when closed by the copied trader and/or if the copied trader's positions were automatically closed by NatureForex, for whatsoever reason, without providing any further notice and without any action on Customer's part. Customer should be able and prepared to bear the loss of the entire investment made in such a copied trader. Customer is fully responsible for any losses sustained as a result of NatureForex's automatic execution of instructions as a result of the utilizing of any of the Social Trading Features.
- 8.4. If Customer places additional trades in Customer's Account or modifies or cancels an order generated by a Social Trading Feature, Customer may achieve a materially different result than the User that Customer copied. Changing a copied position will cause its disconnection from the original position, and the disconnected position will not be automatically closed or changed when the original position is changed or closed.
- 8.5. Any past performance of Users indicated on the Websites or Services is not indicative of future results and should be considered as hypothetical as more fully described below. It is important to understand that historical performance is not a guarantee of future performance. When reviewing the Content, portfolio, financial performance information, opinions or advice of another User, Customer should not assume that the User is unbiased, independent or qualified to provide financial information or advice.
- 8.6. HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS. NO REPRESENTATION OR GUARANTEE IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN AND MAY NOT TAKE INTO ACCOUNT FEES, SPREADS AND/OR TRADING COMMISSIONS THAT MAY BE CHARGED. THE ACTUAL PERCENTAGE GAINS/LOSSES EXPERIENCED BY INVESTORS WILL VARY DEPENDING ON MANY FACTORS, INCLUDING BUT NOT LIMITED TO: STARTING ACCOUNT BALANCES (DEPOSITS AND WITHDRAWALS), MARKET BEHAVIOR, THE INVESTOR'S ACCOUNT SETTINGS AND THE PERFORMANCE OF THE COPIED USER. BECAUSE OF THIS, ACTUAL PERCENTAGE GAINS/LOSSES EXPERIENCED BY INVESTORS MAY BE MATERIALLY DIFFERENT THAN THE PERCENTAGE GAINS/LOSSES AS PRESENTED ON THE WEBSITE OR SERVICES. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE

FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

- 8.7. NO ASPECT OF THE INFORMATION AND/OR SOCIAL TRADING FEATURE PROVIDED AND/OR MADE AVAILABLE ON THE WEBSITES OR SERVICES IS INTENDED TO PROVIDE, OR SHOULD BE CONSTRUED AS PROVIDING, ANY INVESTMENT, TAX OR OTHER FINANCIAL RELATED ADVICE OF ANY KIND. YOU SHOULD NOT CONSIDER ANY SUCH CONTENT AND/OR ANY SUCH FEATURE TO BE A SUBSTITUTE FOR PROFESSIONAL FINANCIAL ADVICE. IF YOU CHOOSE TO ENGAGE IN TRANSACTIONS BASED ON CONTENT ON THE WEBSITE OR SERVICES AND/OR ELECT TO COPY SPECIFIC TRADERS AND/OR TRADES, THEN SUCH DECISION AND TRANSACTIONS AND ANY CONSEQUENCES FLOWING THEREFROM ARE YOUR SOLE RESPONSIBILITY. WHILE INDIVIDUAL PARTICIPANTS MAY OFFER INVESTMENT ADVICE OR OPINIONS AND/OR EFFECT A TRANSACTION WHICH MAY BE SUBSEQUENTLY COPIED BY OTHER TRADERS, SUCH ADVICE, OPINIONS OR TRADES AMOUNT TO NOTHING MORE THAN EXCHANGES BETWEEN PERSONS WHO MAY BE ANONYMOUS OR UNIDENTIFIABLE OR SIMPLY THE EXECUTION OF A TRADE BY SUCH TRADERS. NATUREFOREX AND ITS AFFILIATES DO NOT PROVIDE INVESTMENT ADVICE DIRECTLY, INDIRECTLY, IMPLICITLY, OR IN ANY MANNER WHATSOEVER BY MAKING SUCH INFORMATION AND/OR FEATURES AVAILABLE TO YOU. YOU SHOULD USE ANY INFORMATION GATHERED FROM HERE AND/OR UTILIZE THE SOCIAL TRADING FEATURES ONLY AS A STARTING POINT FOR YOUR OWN INDEPENDENT RESEARCH AND INVESTMENT DECISION MAKING.
9. **SECURITY AGREEMENT.** In order to secure any indebtedness or other obligations at any time owing from Customer to NatureForex, including, without limitation, (i) indebtedness or other obligations under any Account, Contract or other transaction with NatureForex or (ii) any indebtedness or other obligations resulting from any guarantee by Customer of any Account, Contract or other transaction with NatureForex, Customer hereby assigns, pledges and grants to NatureForex a security interest in and right of setoff against: (i) all of Customer's Accounts with NatureForex; (ii) all Contracts, cash, securities and other property in Customer's Account at NatureForex or delivered or otherwise provided by Customer to secure its indebtedness or other obligations to NatureForex or in NatureForex's possession or control for any purpose (including safekeeping); and (iii) all products and proceeds of the foregoing (collectively, (i), (ii) and (iii) are referred to as "Collateral"). At any time, in NatureForex's sole discretion and without prior demand or notice, NatureForex may apply any or all cash (or sell or buy in any such Contracts, securities or other property and apply the proceeds there from) to any such indebtedness or other obligations, notwithstanding that such indebtedness or other obligations arise in an Account other than the Account in which the cash, Contracts, securities or other property were held or generated. Notwithstanding applicable laws or regulations, NatureForex shall have the right to sell, pledge, rehypothecate, assign, invest, commingle and otherwise use any Collateral it holds (including, but not limited to, using the Contracts as collateral for a loan to NatureForex) free from any claim or right of any nature whatsoever of the Customer, including any equity or right of redemption by the Customer and to register any Collateral in the name of NatureForex, its custodian or a nominee for either. Any failure by NatureForex to enforce its rights hereunder at anytime is not a waiver of such rights by NatureForex. NatureForex is irrevocably appointed as attorney-in-fact for Customer and is authorized, without notice to Customer, to execute and deliver any documents, give any notice and to take any actions on behalf of Customer, including the execution, delivery and filing of financing statements, that NatureForex deems necessary or desirable to evidence or to protect NatureForex's interest with respect to any Collateral. In the event that the Collateral deemed acceptable to NatureForex is at any time insufficient to satisfy Customer's indebtedness or other obligations to NatureForex, including obligations to provide Margin in accordance with Paragraph 5 hereof, Customer shall promptly pay upon demand the entire amount of such deficit.
10. **NOVATION OF OPPOSING CONTRACTS.** Whenever there may exist in any Customer Account two (2) or more open and opposite Contracts of like contract specifications, such Contracts shall automatically be canceled and replaced by an obligation to settle only the net difference between amounts payable in respect of the relevant Contracts.
11. **SETTLEMENT DATE; ROLLOVERS.** NatureForex may, in its sole discretion and without notice to Customer, offset Customer's Open Positions, roll over Customer's Open Positions into the next settlement time period, or make or receive delivery on behalf of Customer upon any terms and by any methods deemed reasonable by NatureForex, in its sole discretion. Terms and/or methods for delivering, offsetting, or rolling over Customer's Open Positions may differ on a customer-by-customer basis, at NatureForex's sole discretion. Any positions held in Customer's Account at 17:00 EST may

be rolled over to the next settlement date and the Account may be debited or credited for the interest differential for the rollover period.

12. **LIQUIDATION OF ACCOUNTS; DEFICIT BALANCES.** In the event of: (a) an Event of Default; (b) insufficient Margin, or NatureForex's determination that any Collateral deposited to protect Customer's Account is inadequate, regardless of current market quotations, to secure Customer's Account; or (c) any other circumstances or developments that NatureForex, in its sole discretion, deems appropriate for its protection, NatureForex may, in its sole discretion, take one or more, or any portion, of the following actions: 1) satisfy any obligation Customer may have to NatureForex (either directly or by way of guarantee or suretyship) out of any of Customer's funds or property in the custody or control NatureForex; (2) sell or purchase any or all Contracts and any securities or other property held or carried for Customer; and (3) cancel any or all outstanding Orders or Contracts or other transactions or commitments made by or on behalf of Customer. Any of the above actions may be taken without demand for Margin or additional Margin, without prior notice of sale or purchase or other notice to Customer, Customer's legal representatives, heirs, executor, administrator, trustee, legatee, successors or assigns and regardless of whether the ownership interest is held individually or jointly with others. Any prior demand or notice of sale or purchase shall not be considered a waiver of NatureForex's right to sell or buy at any time in the future without demand or notice as provided above. In liquidation of Customer's Long Positions and Short Positions, NatureForex may, in its sole discretion, offset in the same settlement or it may initiate new Long Positions or Short Positions in order to establish a spread or straddle that in NatureForex's sole judgment may be advisable to protect or reduce existing positions in Customer's Account. Any sales or purchases may be made according to NatureForex's judgment and in its sole discretion in any interbank, over-the-counter or other exchange market where such business is then usually transacted or at a public auction or private sale, and NatureForex may purchase the whole or any part thereof free from any right of redemption. Customer shall only be liable for the payment of any deficit balance in Customer's Account upon demand by NatureForex where such deficits are the result of a mark to market after a weekend or holiday. In such cases, Customer shall be liable for any deficiency remaining in Customer's Account in the event of the liquidation thereof in whole or in part by NatureForex or by Customer. In the event the proceeds realized pursuant to liquidation are insufficient for the payment of all liabilities of Customer due to NatureForex, Customer shall promptly pay upon demand the entire amount of any such deficit, together with all other deficits and all unpaid liabilities of Customer, including, but not limited to, all costs of enforcement and collection, such as, but not limited to, attorneys' fees, witness fees and travel expenses, interest on any such deficit and liabilities at a rate equal to three (3) percentage points above the then prevailing prime rate at NatureForex principal bank or the maximum interest rate allowed by law, whichever is lower. All complimentary bonus money credited to Customer's Account must be strictly used under the specific promotion's terms and conditions. At all times, NatureForex reserves the right to retract or cancel any such promotion, bonus or special offer. If NatureForex suspects that a Customer has abused or attempted to abuse a bonus or other promotion or otherwise acted with a lack of good faith towards NatureForex, then NatureForex reserves the right, in its sole discretion, to deny, withhold or withdraw the bonus or promotion from that Customer, to block temporarily or permanently the Customer's access to the Services, or terminate Customer's Account. Customer agrees to immediately call to NatureForex's attention any oral information that Customer has reason to believe is inconsistent with Customer's own information. Customer understands, acknowledges and agrees that errors, whether resulting in a profit or loss to Customer, shall be corrected, and Customer's Account will be credited or debited in such manner and extent as to place Customer's Account in the same position in which it would have been had the error not occurred.

RISK DISCLOSURE STATEMENT

In consideration of NatureForex agreeing to enter into non-deliverable spot foreign exchange currency contracts, Binary Options, and Contracts for Difference (as defined in the Customer Agreement; collectively, "Contracts") with the undersigned(hereinafter referred to as the "Customer" or "You"), Customer acknowledges, understands and agrees that:

- Trading Is Very Speculative and Risky.** Trading in Contracts is highly speculative and is suitable only for those customers who (a) understand and are willing to assume the economic, legal and other risks involved, and (b) are financially able to assume losses significantly in excess of Margin or deposits. Trading in Contracts is not an appropriate investment for retirement funds. Customer represents, warrants and agrees that Customer understands these risks and that Customer is willing and able, financially and otherwise, to assume the risks of trading in Contracts and that loss of Customer's entire Account Balance will not change Customer's life style.
- High Leverage And Low Margin Can Lead To Quick Losses.** The high leverage and low Margin associated with trading in Contracts can result in significant losses due to price changes in the financial products underlying the Contract. Customers must maintain the Minimum Margin Requirement on their Open Positions at all times. It is the Customer's responsibility to monitor his/her Account Balance. NatureForex has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained. Increasing leverage increases risk.
- Prices, Margin And Valuations Are Set By NatureForex And May Be Different From Prices Reported Elsewhere.** NatureForex will provide prices to be used in trading, valuation of Customer positions and determination of Margin requirements. Although NatureForex expects that these prices will be reasonably related to prices available in the market, prices reported by NatureForex may vary from prices available to other participants in the market. NatureForex will exercise considerable discretion in setting and collecting Margin.
- Telephone Orders And Immediate Execution.** Market Orders executed through the NatureForex Trading Desk are completed when NatureForex says "deal" or "done." At that point Customer has bought or sold and cannot cancel the Market Order. By placing Market Orders through the NatureForex Trading Desk, Customer agrees to such immediate execution and accepts the risk of this immediate execution feature.
- Market Recommendations Are Informational, Customer Makes Independent Decisions, And NatureForex Is Not An Adviser Or A Fiduciary To Customer.** The market recommendations provided by NatureForex do not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any Contracts. Each decision by Customer to enter into a Contract or other transaction with NatureForex and each decision whether a Contract or other transaction is appropriate or proper for Customer is an independent decision by Customer. NatureForex is not acting as an advisor or serving as a fiduciary to Customer. Customer agrees that NatureForex has no fiduciary duty to Customer and no liability in connection with and is not responsible for any liabilities, claims, damages, costs and expenses, including attorneys' fees, incurred in connection with Customer following NatureForex's trading recommendations or taking or not taking any action based upon any recommendation or information provided by NatureForex.
- Recommendations Are Based On Personal Judgments And Are Not Guaranteed.** The market recommendations of NatureForex are based solely on the judgment of NatureForex's personnel. These market recommendations may or may not be consistent with the market positions or intentions of NatureForex, its affiliates and employees. The market recommendations of NatureForex are based upon information believed to be reliable, but NatureForex cannot and does not guarantee the accuracy or completeness thereof or represent that following such recommendations will reduce or eliminate the risk inherent in trading Contracts.
- There is no Central Market or Clearinghouse Guarantee of Payment.** Each Contract is a contract directly between NatureForex and the Customer. There is no clearinghouse and no guarantee by any other party of NatureForex payment obligations to the customer. Customer must look only to NatureForex for performance on all Contracts in Customer's Account and for return of any Margin or Collateral.
- No Guarantees Of Profit.** There are no guarantees of profit or freedom from loss in trading Contracts. Customer has received no such guarantees from NatureForex or from any of its representatives. Customer is aware of the risks inherent in trading Contracts and is financially able to bear such risks and withstand any losses incurred.

9. **Customer May Not Be Able To Close Open Positions.** Due to market conditions or other circumstances NatureForex may be unable to close out Customer's position at the level specified by Customer, and Customer agrees NatureForex will bear no liability for failure to do so.
10. **Trading Ahead And Along.** NatureForex its personnel and affiliates and various other parties may execute orders at the same or better prices ahead of a Customer Order.
11. **Trading Agents.** In the event that Customer grants trading authority or control over Customer's Account to a third party (the "Trading Agent"), whether on a discretionary or non-discretionary basis, NatureForex shall in no way be responsible for reviewing Customer's choice of such Trading Agent or for making any recommendations with respect thereto. NatureForex makes no representations or warranties concerning any Trading Agent; NatureForex shall not be responsible for any loss to Customer occasioned by the actions of the Trading Agent; and NatureForex does not, by implication or otherwise, endorse or approve of the operating methods of the Trading Agent. NatureForex reserves the right to reject the appointment of a Trading Agent to Customer's Account and may elect to reject transactions executed by such Trading Agent. If Customer gives the Trading Agent authority to exercise any of its rights over its Account, Customer does so at Customer's risk. Even though the undersigned grants authority to Trading Agent, Customer should be diligent and closely scrutinize all Account activity.
12. **Internet Trading.** Since NatureForex does not control signal power, its reception or routing via Internet, configuration of Customer's equipment or reliability of its connection, NatureForex shall not be liable for any claims, losses, damages, costs or expenses, including attorneys' fees, caused, directly or indirectly, by any breakdown or failure of any transmission or communication system or computer facility or trading software, whether belonging to NatureForex, Customer, any market, or any settlement or clearing system when Customer trades online (via Internet).
13. **Telephone Orders.** NatureForex is not responsible for disruption, failure or malfunction of telephone lines.
14. **Quoting Errors.** Should a quoting error occur due to a mistype of a quote or a misquote given by telephone and/or electronic means (including responses to Customer requests), NatureForex is not liable for any resulting errors in Account Balances and reserves the right to make necessary corrections or adjustments on the Account involved. Any dispute arising from such quoting errors will be resolved on the basis of the fair market value, as determined by NatureForex, in its sole discretion, of the relevant Currency at the time such an error occurred. In cases where the prevailing market represents prices different from the prices NatureForex has posted on its screen, NatureForex will attempt, on a best efforts basis, to execute trades on or close to the prevailing market prices. These prevailing market prices will be the prices, which are ultimately reflected on the Customer Statements. This may or may not adversely affect customer realized and unrealized gains and losses.
15. **Hypothetical Results.** Please read carefully the disclaimer below required by the International Financial Services Commission of Belize regarding hypothetical results:

HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT ANY ACCOUNT WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THOSE SHOWN; IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK OF ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL WHICH CAN ADVERSELY AFFECT TRADING RESULTS.

TRADING POLICIES AND PROCEDURES

4. **CUSTOMER ACCOUNTS AND INITIAL DEPOSITS.**
 - 4.1. **Documents.** Before you can place an Order with NatureForex, you must complete the Customer Account Application and read, complete and sign the Customer Agreement, including the Risk Disclosure Statement, these Trading Policies and Procedures, and all applicable addenda. You must deposit sufficient funds in your Account, your Customer Account Application must be approved by NatureForex, and your deposited funds must have cleared the banking system. Also, NatureForex must accept your Customer Account Application before NatureForex will permit you to trade in your Account. You will be notified by e-mail when your Customer Account Application has been approved. If a Customer applies online, Customer will be permitted to trade only after NatureForex has received a completed and signed Customer Account Application and Customer Agreement. NatureForex may, in its sole discretion, initially accept a fax copy of the signed Customer Account Application and may permit one or more trades if Customer has deposited sufficient funds into the Account. In this case, NatureForex must receive an original signed copy of the entire Customer Account Application and Customer Agreement within seven (7) days of completion of the online Customer Account Application. If NatureForex does not receive the Customer Account Application and Customer Agreement with original signatures, NatureForex reserves the right to liquidate any Open Positions in the Account and to close the Account.

4.2. Currency for Rendering Accounts. Deposits to Customer Accounts will be accepted in U.S. Dollars (USD), European Union Euros (EUR), U.K. Pound Sterling (GBP), and Japanese Yen (JPY), and all Account Balances will be computed and reported as chosen by the Customer in USD, EUR, GBP, or JPY.

4.3 Recognition of Deposits. No deposit shall be recognized until the wire has been fully cleared and collected by NatureForex's bank or depository institution. You will be notified via e-mail once your funds have been received by NatureForex and are available for trading.

5. **CONTRACTS FOR DIFFERENCES.** When effecting a transaction in a securities-based contract for difference, Customer will not have any title or ownership (beneficial or otherwise) in the underlying security. As such, Customer will not be entitled to any voting rights, rights to receive notifications, dividend rights, or other rights associated with ownership of a security. NatureForex may or may not acquire the underlying security or derivative for its own account to cover said transactions. Should NatureForex elect to acquire such security for its own account, it may or may not exercise or refrain from exercising its rights as a security holder (directly or through one or more intermediaries) without notifying Customer and without taking Customer's interests into account.
6. **MARGIN REQUIREMENTS.** Customer shall provide and maintain with NatureForex margin in such amounts and in such form that NatureForex, in its sole discretion, may require. NatureForex does not require Customers to pay the full price of Contracts that Customer may buy and sell. Instead, Customer is required to post a small percentage of the full amount, which Customer is obligated to pay to NatureForex under the Contract, to secure Customer's obligations to NatureForex. Margin includes Required Margin for Open Positions, which is based on (i) the Opening Margin Requirement; (ii) the Minimum Margin Requirement; (iii) the market value of Open Positions; and (iv) any additional amount as NatureForex, in its sole discretion, believes is prudent to require. Customer must maintain the Minimum Margin Requirement on their Open Positions at all times. NatureForex has the right to liquidate any or all Open Positions whenever the Minimum Margin Requirement is not maintained, according to Paragraph 12 hereof. Margin requirements are subject to change at any time in NatureForex's sole discretion and without prior notice. No previous margin requirement shall preclude NatureForex from increasing that requirement without prior notice. NatureForex may, in its sole discretion, elect to impose on a disclosed or undisclosed basis limitations on the maximum number of Open Positions allowed at any time.
7. **LIQUIDATION LEVEL.** Subject to all additional rights of NatureForex under the Customer Agreement, in the event that, in the sole opinion of NatureForex and in accordance with NatureForex's reasonable best estimate of then prevailing obtainable market Spot Rates, and regardless of whether or not prior Margin Calls have been issued or met, if the Margin Balance should at any time equal or fall below the Minimum Margin Requirement for Customer's Account in the aggregate, NatureForex will have the right but not the obligation to liquidate any part of or all Open Positions in Customer's Account. Clients are responsible for placing their own Stop Loss Orders to minimize losses. Any failure by NatureForex to enforce its rights hereunder shall not be deemed a future waiver of such rights by NatureForex.
8. **MARGIN CALLS.** NatureForex does not make margin calls in the ordinary course of business. NatureForex maintains the right to liquidate customer positions as described above. However, NatureForex may from time to time and in its sole discretion, call Customer and request that Customer deposit additional Collateral to secure Customer's obligations to NatureForex, over and above the balance in Customer's Account. Any call for additional margin without exercising the rights to liquidate Customer positions shall not be deemed precedent for future calls nor future waiver of such liquidation rights by NatureForex.
